

Mediation Skills Training for Executives and Professionals with over 10 Years of Working Experience

10, 11, 17, 18, 24 April 2021

Considering to become a Mediator?

Interested in having Good Relationships at Work and at Home?

Interested in acquiring the latest state of the art Negotiation Skills?

Register today for comprehensive 40-hr mediation skills training program. The training is packed with vital information and skills-building techniques for experienced executives and professionals seeking full time or part time opportunities in mediation, or wanting to have good working relationships at work and at home.

Through live presentations, interactive discussions and role-plays, under supervision of experienced coaches, the trainer will navigate program attendees through each stage of the mediation process and will provide insight on what skills and tactics are needed in order to successfully manage the interaction between parties during mediation.
